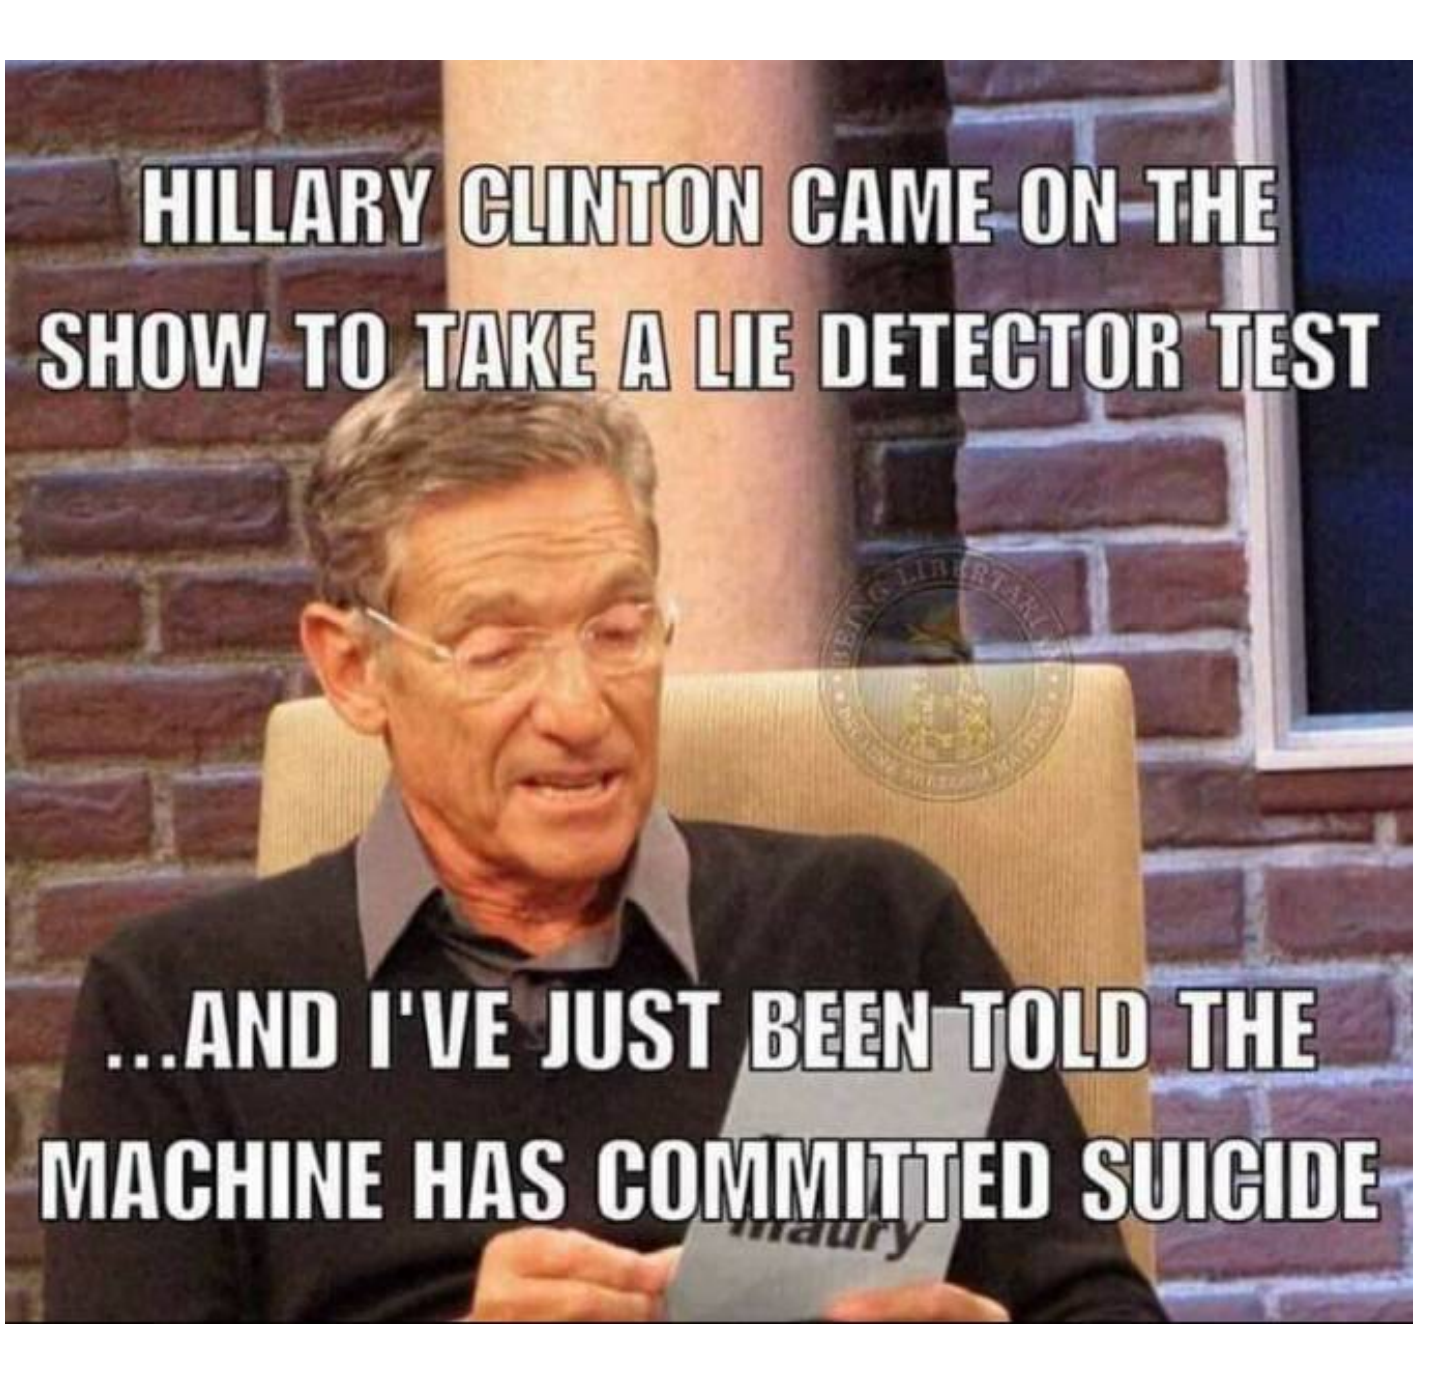
New Evidence Suggests Epstein Didn't Commit Suicide – 'It Would Be Crazy' To Kill Myself

Epstein didn't kill himself.

No sweetie pie. We didn't kill the turkey. It committed suicide.



HILLARY CLINTON CAME ON THE SHOW TO TAKE A LIE DETECTOR TEST
...AND I'VE JUST BEEN TOLD THE MACHINE HAS COMMITTED SUICIDE

When the billionaire pedophile Jeffrey Epstein was found dead in his prison cell back in August of 2019, many were skeptical that he had actually committed suicide, as his death seemed way too convenient for the people in power who he could possibly incriminate. Now, some new evidence has come to light suggesting that he really did not commit suicide.
Federal Bureau of Prisons (BOP) records that were obtained by the New York Times show that in the days leading up to his death, Epstein had repeatedly said that he was not suicidal. Medical staffers even described him as "cooperative," "future-oriented," "goal-directed," and "psychologically stable."

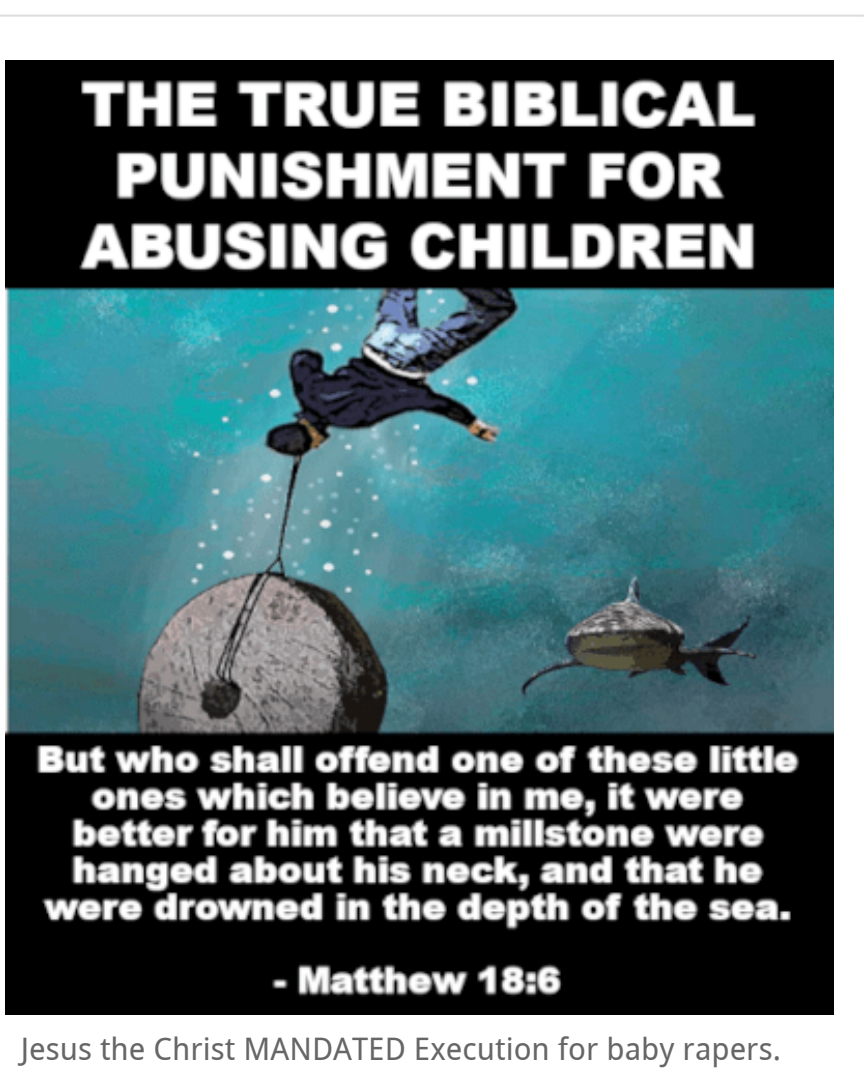
A Pox on You for Christmas Brought to You From Pedoist Gates.

Mossad Jeffery the Child Rape Pimp and Some Pedoist Butties way back in 2011.
Kill em all with Vaccines Gate's paid "news stories" when he got divorced tried to represent his relationship with the Mossad Jeffery as a once or twice accidental thing.
Bull Shit.
People who are not evil don't hang around with baby raper Pimps.



THE TRUE BIBLICAL PUNISHMENT FOR ABUSING CHILDREN
But who shall offend one of these little ones which believe in me, it were better for him that a millstone were hanged about his neck, and that he were drowned in the depth of the sea.
- Matthew 18:6

Jesus the Christ MANDATED Execution for baby rapers.

Mass Murder Via Loaded Syringe is a Hanging Offense!

This Christmas the most desired gift may be a resveratrol pill as an antidote to a predicted smallpox pandemic. Resveratrol (rez-vair-ah-troll) being that molecule in red wine that prevents blood-clotting heart attacks and activates the Sirtuin1 survival gene that mimics a lifespan-doubling calorie-restricted diet.

Don't we have a smallpox vaccine?

This is because, like the Director of the National Institute of Infectious Diseases 2017 prediction that a looming pandemic would soon materialize unless his institute was adequately funded, we now have a billionaire vaccine backer masquerading as a philanthropist, who just happens to have ownership in a company that recently gained FDA drug approval for smallpox, and just happens to have spent $319 million bankrolling the news media, asking news reporters what are we going to do if and when biological terrorists release smallpox in ten airports?

This has resulted in news chatter blamed on conspiracy theorists that Bill Gates will unleash smallpox on Christmas day.

Germ games

In fact, Mr. Gates, with his paid-off sycophant reporters thrusting their microphones forward to catch his every word, recently said the world ought to be conducting "germ games" and funding vaccine research to the tune of $1 billion a year, because bioterrorists may get hold of stocks of smallpox and other germs. Germ games refers to practice scenarios of a pandemic catastrophe.

Let's see if I get this straight. Bill Gates, the self-proclaimed oracle of future pandemics, warns of weaponized smallpox just after the FDA approves his new pox drug. I'm not mentioning the drug to give it undeserved publicity, but readers can click on the link here.

Sounds like Gates want to use public money for his own gain

Gates was writing about future pandemics and preparation against them in 2015. So why, with all his wealth, were there no testing kits for Covid-19 when it hit the world, and there had even been a Bill & Melinda Gates sponsored exercise called Event 201 to prepare for it?

This threat of smallpox is also spawned by the theory as global warming will melt the permafrost and humanity will encounter previously frozen diseases. So, a pandemic could be unleashed even without a bioterrorist!

Smallpox propaganda; keeping Americans on the edge

That was followed by a specious report of vials of smallpox being found in an abandoned refrigerator, the vials later found to have no smallpox virus, but this certainly ignites public fear of smallpox when this virus was eradicated decades ago.

The timing of all this hoopla over a looming worldwide outbreak of smallpox comes just when younger generations have not been vaccinated against this virus.

Daniel Horowitz, senior editor of TheBlaze, in an article entitled: "Are Elites Planning a COVID Repeat… With Smallpox?" writes: "When Bill Gates is warning about smallpox right before vials of smallpox are discovered, and in the same week a Maryland woman tests positive for monkeypox, we should pay attention!"

Spike Protein Killer Jabbed Mad Cow Maxx Vaxxed Sheep Are The New Lepers

The killer jabbed were either stupid or cowardly enough to take the jab.
Their body is a killer spike protein producing factory.
They have been injected with various other bad things some of which are reported to be living organisms which if chopped up reassemble themselves and reproduce.

Now, would you knowingly have sex or swap saliva and other bodily fluids with someone infected and dying of syphilis or Leprosy?

Then why would you kiss, hug, have sex with someone infected with and dying from the spike protein killer jab?

When un-jabbed folks go around them, one does not even have to touch them to get a stuffy nose, irritated throat and to feel bad.
They are constantly shedding their disease in flakes of skin, their breath, hair and any other thing which comes out of or falls off of them.

If you were unfortunate enough to have been married to a fool took the jab, for God's sake don't have sex with them.
A divorce and moving to a separate living arrangement would be in order.
If you are super religious then a separation and no sex is better than dying.

If you have friends who were fools, stay away from them.
Try to stay out of crowds.

May sound cruel but concentration camps for the jabbed until they die soon would be a good idea.

If someone was stupid enough to purposely infect themselves with leprosy or syphilis would you say they had the right to run loose infecting others with their self imposed death sentence?

If you do then you are an idiot.

Same with the Non Vaccine Killer jabs.

The insane fools who got killer jabbed brought the apartheid upon themselves.

God said do not abide with the wicked, but come out from among them.
Those of Lot's children who remained in Sodom and Gomorrah died with the evil they choose over God's warning.

Time to choose sides.
When one tries to straddle a picket fence one sooner or later tends to wind up with something they don't want sticking up their ass!

The World Health Organization (WHO) has warned that it could take "a few weeks" to understand the risk posed by the transmissibility of the newly mutated strain of the Covid variant that's been detected in South Africa. Speaking on Friday, WHO spokesperson Christian Lindmeier laid out the organization's approach, as it seeks to prevent the B.1.1.529 variant from spiralling out of control.

"Researchers are working to understand more about the mutations and what they potentially mean for how transmissible or virulent this variant is," Lindmeier said, adding that it could take "a few weeks" to fully understand the mutated strain.

The WHO is currently exploring whether the strain needs to be classed as a variant of interest or of concern.

WHO chief scientist Soumya Swaminathan has flagged how the variant shows "a number of worrying mutations in the spike protein." Experts have indicated that the new strain has 30 mutations, more than double the Delta variant that swept through countries earlier this year, potentially allowing it to dodge vaccines.

The meeting of the international health body comes as European nations take swift measures to limit travel from countries in Africa, after the virus was detected in the region. Since Thursday, countries in Europe and Asia have imposed strict Covid restrictions on arrivals from Botswana, Eswatini, Lesotho, Mozambique, Namibia, South Africa, and Zimbabwe.

HAG EM HIGH !!!-EVIL ASS HOLES WHO CAN NOT PRODUCE A PURIFIED STAND ALONE ISOLATED REPRODUCIBLE SAMPLE OF A SARS-COV-2 "VIRUS" "IDENTIFIES" YET "ANOTHER" "MUTATION"

The evil ass holes trying to killer jab everyone but their own crime cabal have yet to back up their lies and resulting induced mass hysteria among the sheep with any truthful facts.

They just keep "discovering" "new" "Variants" to the "virus" they can not or will not produce a verified scientifically identified, isolated, stand alone reproducible sample of to back up their bull shit and mass murder of humans with their clot shot killer jabs.

The sons of bitches are constantly "finding" new variants of that which they can not or will not produce a scientifically verified sample of to scare the sheep into taking "boosters" of non vaccine killer jabs which have already mass murdered and disabled millions of humans.

So the degenerate pedophilic mother humppers like choice and verity eh?

Ok, Humanity gives em a choice of grass rope, hemp rope, polyester rope, nylon rope, red rope, yellow rope, blue rope, 3/4 inch rope, 1/2 inch rope 3/8 inch rope to hang their asses with!

And I mean every son of a bitch or slimy cunt who pushes or pushed the kill shots and the hysterical bull shit that they use to herd the sheep through the slaughterhouse doors.

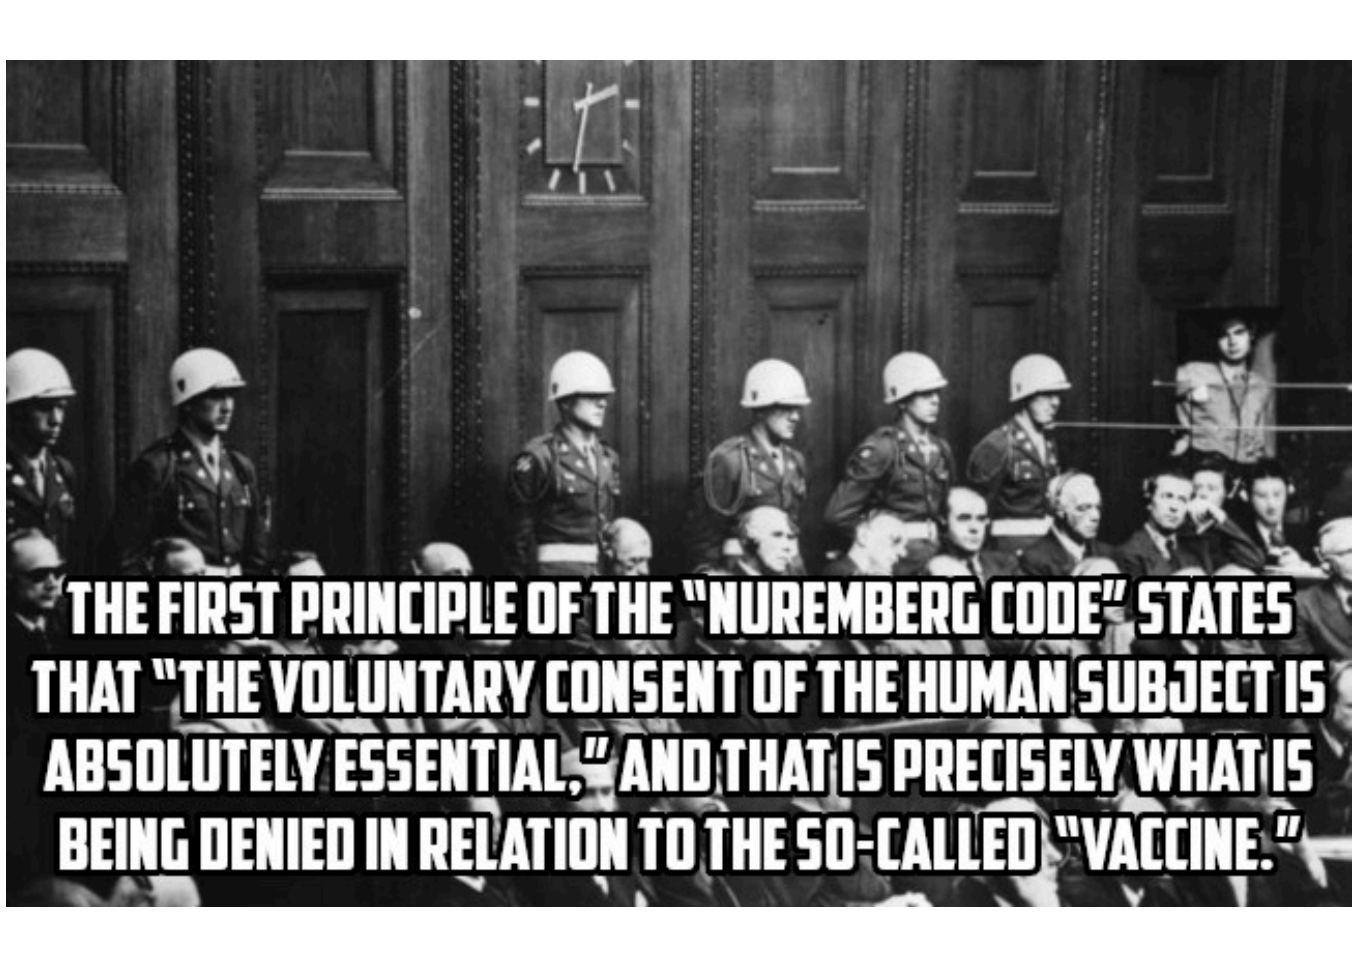
Billionaires, elected "government" ass holes, appointed "government" ass holes, "movie stars", singers, "News" media talking heads, charlatan preachers/priest, mayors, chief of police, rank and file police, school board members, school administrators, School teachers, Sunday school teachers, any and all ass holes slinging shit for the clot shots and against intelligent people who do not want to commit assisted suicide with their ignorant sheep's asses on face of ignorance book, twitter litter or any other social media.

God has promised Humanity a good world on the other side of the tribulations and that world can not exist as long as the evil ass holes, their 30 shekel whores and their useful idiot sheep bleating for everyone to ware a useless as teats on a boar hog mask and take one after the other clot shot killer jabs exist upon this rock.

The killer jab will do for most of the rake and file, but the real evil behind this are not stupid enough to get jabbed with what they are forcing on others so will need hanging along with any of the pro jabber jabbed who have not been killed by the jabs yet.

Way I understand it some of these stupid ass hole jabbed sheep could live as much as three years before the jab finishes them off.
Thats to damn long to put up with their assisting the evil trying to force killer jabs and red Russian communist lockdowns on the intelligent humans who want nothing to do with all this evil Micky mouse shit!

So Nuremberg Common Law Tribunals will need to be convened world wide, the asses of the guilty dragged before them so they can be found guilty of crimes against humanity/mass murder so their evil asses can swing in the wind!



THE FIRST PRINCIPLE OF THE "NUREMBERG CODE" STATES THAT "THE VOLUNTARY CONSENT OF THE HUMAN SUBJECT IS ABSOLUTELY ESSENTIAL," AND THAT IS PRECISELY WHAT IS BEING DENIED IN RELATION TO THE SO-CALLED "VACCINE."

Going to be a lot of them.
No need spending resources needed to rebuild the world from the shit hole the evil sons of bitches have made it burying their degenerate asses.

I grew up in the Texas hill country.
We had to shoot a lot of varmints which tried to either harm us or our livestock.
We had a hill out on the back of the place referred to as the bone pile.

Kill a varmint trying to eat our chickens or such, we would carry them back and throw them on the bone pile.
Buzzards took care of the rest.

Very Classy & Patriotic L.A. firefighter Wiped His Ass With Insane mandate Paper To Commit Suicide With Spike Protein Killer Jab

The Los Angeles Fire Department is investigating an incident in which a firefighter "responded inappropriately" after being handed a letter to comply with the city's vaccine mandate, a department spokeswoman said Wednesday.

The LAFD member responded to receiving the noncompliance letter by dropping his pants and wiping his buttocks with the letter, leaving fecal matter on the document, before dropping it to the ground, according to the Stentorians of Los Angeles City, a group representing African American firefighters.

The situation underscores the deep resistance among some within the Fire Department over the city's mandate that employees be vaccinated.

LAFD spokeswoman Cheryl Getuiza said the incident is alleged to have occurred on Nov. 18. "The department is aware of the seriousness of the allegations and took immediate action upon learning of this incident," she said, declining to comment on the details.

Getuiza said the firefighter is on paid administrative leave and "will face the consequences of any inappropriate acts." She did not elaborate on specifically what prompted the leave.

An LAFD captain and a chief officer witnessed the incident, the Stentorians said in a statement sent to the Board of Fire Commissioners and city leaders. It took place at Fire Station 69 in Pacific Palisades, the group said.

"The LA City Stentorians are sickened and disgusted by this horrific display of unprofessionalism," the Stentorians' statement said. "To date, we have not heard from anyone from the LAFD administration condemning this act of blatant disrespect and harassment."

The group called on the mayor, City Council and fire commission "to take swift and immediate action to deter any city employee from feeling entitled and not encouraged but empowered to behave in such an embarrassing and threatening manner."

The Stentorians described the act as a "terminable" offense. Their statement included a photo of a man holding what appeared to be a discolored document.

A person who answered a phone number associated with the man in photo told The Times on Friday that the man wasn't available. When the reporter called back, the person said they had the wrong number.

The path to totalitarianism never ends well

"The totalitarian regimes responsible for the most heinous atrocities of the Twentieth Century – Stalin, Mao, Hitler, Pol Pot – didn't get there overnight. They used fear to control, excluded the "dirty" people (softly at first), justified the exclusion, moved to harder exclusions, and eventually eliminated people either socially, or physically. In Twenty-First Century Australia, State Premiers are racing down that familiar path, trying to out-tyrant each other, drunk on power, setting up their own bio-security police states complete with medical apartheid."

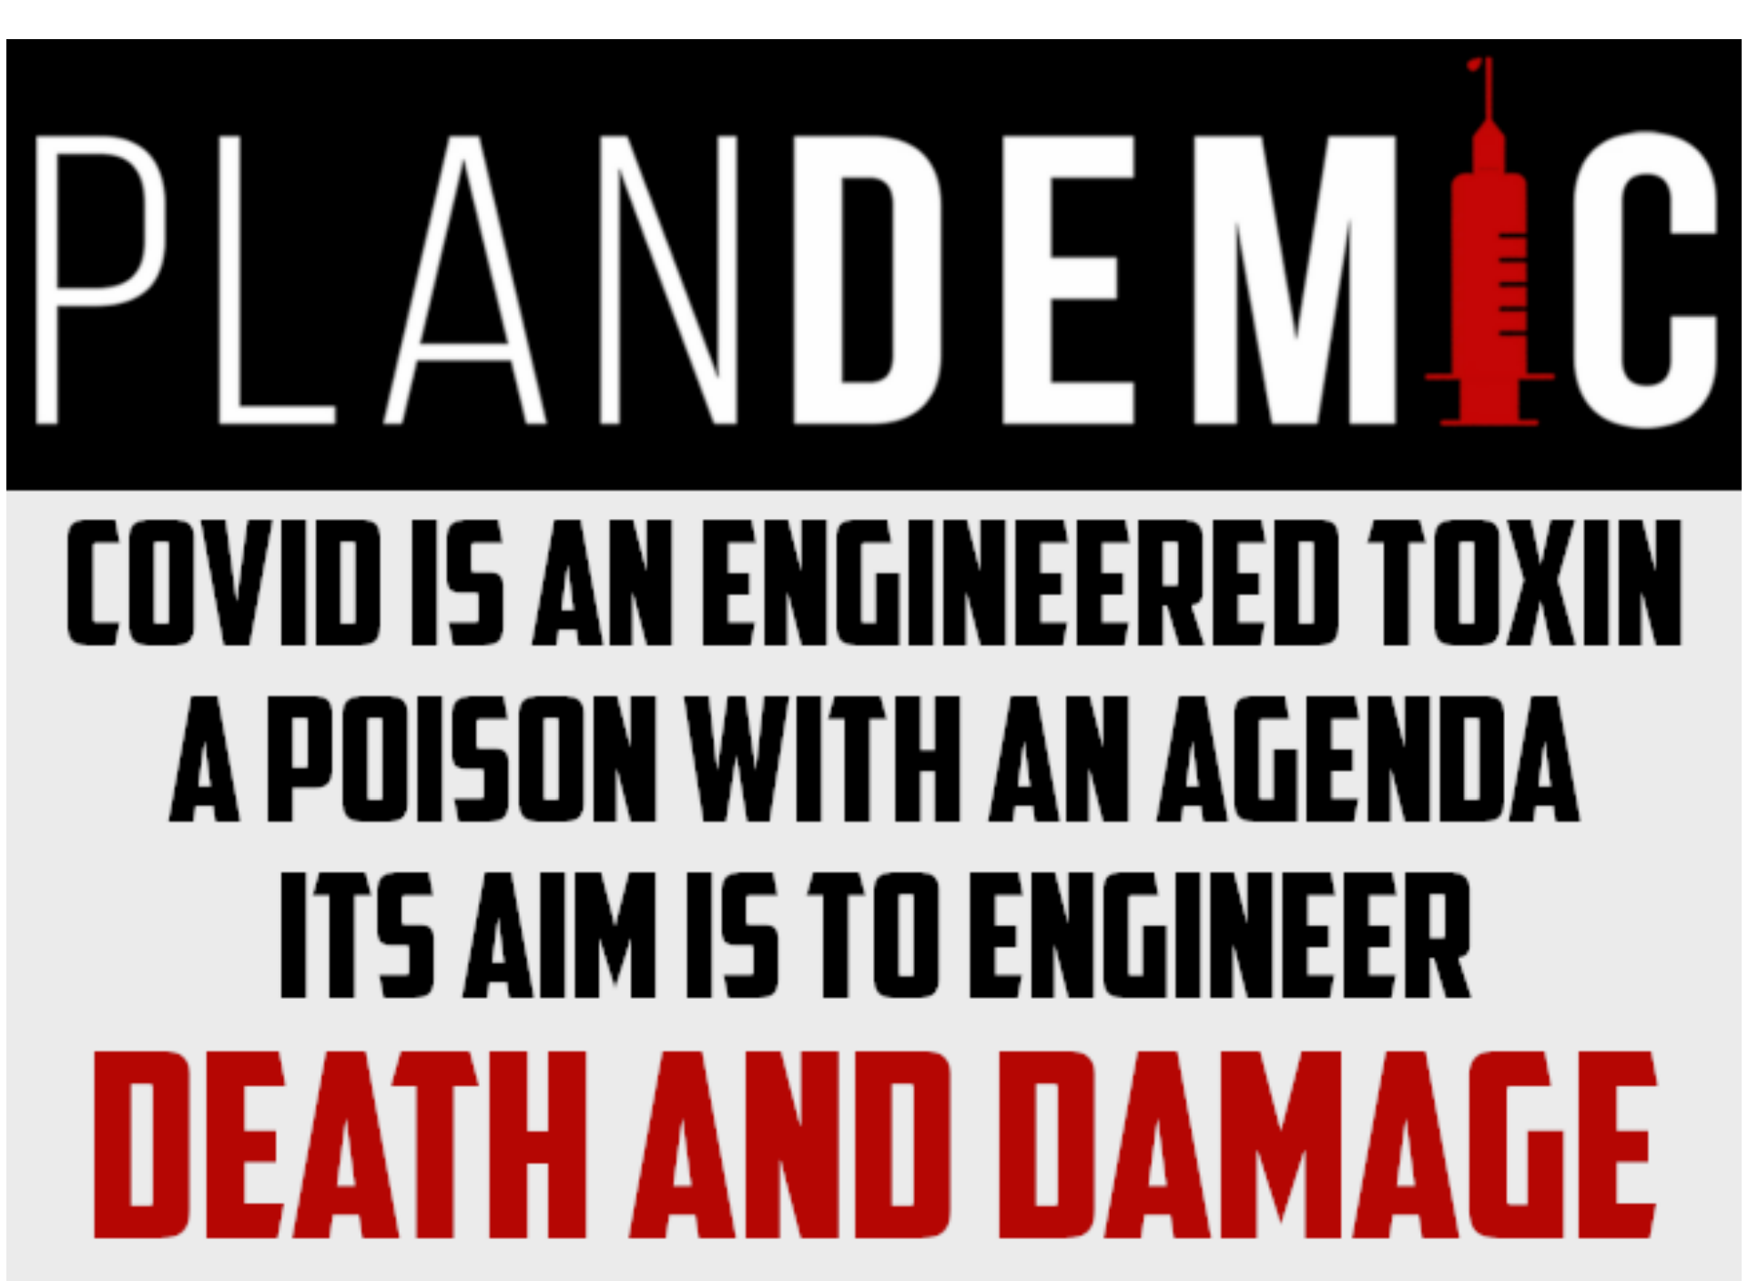
What Are They Hiding?



PLANDEMIC
COVID IS AN ENGINEERED TOXIN
A POISON WITH AN AGENDA
ITS AIM IS TO ENGINEER
DEATH AND DAMAGE

If you thought the continuing 58-year cover-up of the JFK assassination was just an American anomaly, think again. The FDA, a **captured agency** by any meaning of the term, just had the audacity to ask a judge in this FOIA case if they could release Pfizer's clinical trial data at the rate of 500 pages per month – meaning it wouldn't be fully released until 2076. This is the data by which everyone was told that Pfizer's COVID fake-vaccine was – you know the mantra – "safe and effective." So the FDA can look thorough Pfizer's 329,000 pages very quickly to provide an EUA (Emergency Use Authorization) for a vax, but now it needs 55 years to fully release the files publicly. Hmmm.

One could assume they chose 50-60 years so that everyone involved in making, authorizing or approving the fake-vaccine would be incapacitated or dead. The NWO controllers insist everyone "follow the science" while they hide the science and conduct worldwide and historically unprecedented mass human experimentation in violation of informed consent and other benchmarks of the Nuremberg Code.

Australia begins covid ETHNIC CLEANSING with military roundups of indigenous people… junk science "sewage" testing used to imprison entire communities at gunpoint

I was just watching a hit piece of how horrible Communist China is for forcibly dragging off people to "quarantine camps" exposed to "someone with COVID".

The piece talks of how these camps are exclusive to Communist China.

Guess the "journalist" has not been watching the news out of Communist Australia.

The evil Chinese Commies ain't got shit on the evil Australia Commies!

The Ole Dog

The Australian government of the Northern Territories is now using military soldiers and army trucks to forcibly round up indigenous people who have merely been near someone else who tested "positive" for covid. With families being separated at gunpoint, one of the most horrifying predictions we made has now come true: Military / medical martial law where innocent civilians are being rounded up at gunpoint and taken to what are essentially covid concentration camps.

These victims are being forcibly relocated to the Howard Springs quarantine camp in Darwin, Australia. Michael Gunner, the territory chief, admits to the military kidnapping and forced relocation of Australian indigenous people, even disparaging their family structures and implying they are savages because so many members of the community interact with each other like family. From Gunner's Facebook post:

What's more concerning is the evidence of substantial mingling between households in Binjari, as well as mingling and back and forth between Binjari and the nearby community of Rockhole, which has about 130 residents.

These communities have very strong personal and family connections. It probably helps to think about them more as one big household rather than a lot of different households.

Gunner also announced that all local residents are now prisoners in their own homes and may not leave for any reason other than "medical treatment," which means, of course, being injected with the covid-19 vaccine death shot. He claims this is for their own good:

As you know, last night we took urgent action to escalate our response in these communities – immediately implementing a hard lockdown.

That means residents in Binjari and Rockhole no longer have the five reasons to leave their home. They can only leave for medical treatment, in an emergency, or if required by law.

Yes, these are strong measures, but the threat to lives is extreme.

Gunner also confirms that dozens of locals have been rounded up by the military and forcibly taken to the camps:

It's highly likely that more residents will be transferred to Howard Springs today, either as positive cases or close contacts

We have already identified 38 close contacts from Binjari but that number will go up. Those 38 are being transferred now.

I contacted the Prime Minister last night. We are grateful for the support of about 20 ADF personnel, as well as army trucks to assist with the transfer of positive cases and close contacts – and to support the communities.
